

Instructions for Weekend Program Registration

- 1) **PARENT INFORMATION.** Please fill out the top of the form with detailed address, telephone, cell phone, and e-mail information. Please note that the majority of the Club's correspondence is through email. If you do not have an email address, we will put you on a mailing and call list. Also, cell phone numbers are very important in case we need to reach a parent who is on the Mountain.
- 2) **ATHLETE INFORMATION.** Please fill in the athlete information with name, age, date of birth, and circle male or female.
- 3) **PROGRAM SELECTION.** Please select the program that your child will be participating in. The proper J class for alpine racers is determined by their age as of Dec. 31.
- 4) **LATE FEE.** Please note that there is an additional \$100 fee for paperwork that is received after October 15, 2007.
- 5) Note that the USSA insurance fee is now included in the program cost.
- 6) **CUBBY FEE.** For athletes who wish to store their equipment at the BOC, there is a \$25 seasonal fee per cubby. This fee includes storage of skis/snowboards as well.
- 7) **FAMILY MEMBERSHIP.** Please note that the family membership fee has been included on your Weekend Program Registration Form. The Membership form still needs to be completed but one check can be written for Program Registration and Membership. Please return membership form with a signature on the "release of liability".
- 8) **DONATIONS.** For a non-profit organization like ours, donations can make a big difference when it comes to improvements and enhancements. No matter the amount, all donations are much appreciated and wisely allocated.
- 9) **VOLUNTEER EXEMPTION FEE.** The Bromley Outing Club needs volunteers. Without your help, much of what we do would not be possible. Volunteering is part of our structure and is a rewarding opportunity for all members to promote youth snow sport activities. Volunteering can come in many forms. Some areas of need are: JISP (Junior Instructional Snow Sports Program), Race Production, Special Events and Fundraisers, Coaching, Mentoring, and a host of other areas. The Club asks that each family volunteer a minimum of 2 days a season. This commitment can come in many forms and while most needs are on the hill or at the BOC, some volunteers have been very helpful off-site as well. If you would prefer not to be asked to volunteer, please include the \$200 volunteer exemption fee as an alternate source of contribution. Thank you...
- 10) **PAYMENT.** Payment by check is preferred. We save a considerable amount of bank charges by minimizing credit card use. If you need to pay by credit card, please contact the Outing Club.
- 11) **MEDICAL INFORMATION AND WAIVER.** Please include health insurance information and sign release of liability.
